

# Exclusions

## Exclusion Summary

Menu: [Focus](#) | [People](#) | [Students](#) | [Links](#) | [Exclusions](#)

'Exclusions' is designed to meet the requirements of Statutory legislation, including the ability to make all the necessary analyses and returns. It is part of the Inclusion process undertaken by Local Authorities, to identify a new Educational Establishment for a student who has been the subject of an Exclusion or to arrange for alternative education to be provided.

### Exclusion Summary
