# Social Network

Menu: Focus | People | Person/ICS Person/Student | Links | Social Network

Social Network

The **Social Network** is an eco-gram for the selected person (Subject). It is a graphical representation of their family and other contacts e.g. Parents, Carers, Sibling, Doctor etc.

Contacts (Doctor, Headteacher, Social Worker etc) are recorded in the **One** database and are automatically displayed on the eco-gram. They cannot be added here.
If there are more than 100 relationships of the same type a warning message will pop up and the Social Network will not be displayed.
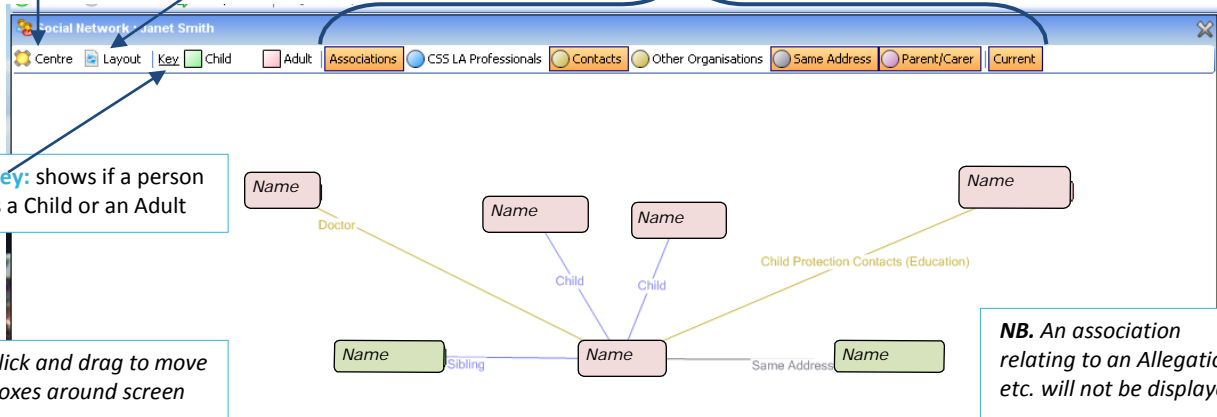

Relationships can be added in the **Relationships** panel below the eco-gram.

Centre: will centre the diagram if it is larger than the screen

Layout: will return a changed diagram to its original layout

Use the **Filter** buttons to show **Associations** (ICS specific Associations in addition to **One** Contacts), **CSS LA Professionals**, **Contacts**, **Other Organisations**, people living at the **Same Address**, **Parent/Carer** and those with a **Current** (**Previous**/**All**) relationship to the Subject.

Key: shows if a person is a Child or an Adult

Click and drag to move boxes around screen

NB. *An association relating to an Allegation etc. will not be displayed.*

Hover over name to display details. Click to keep box expanded. Information is read-only.

When the **Subject**'s box is expanded it displays the name and a list of the Association/Relationship types.

Click on a box and use the **Links** panel to view other **Details** and **Reports**.

Name

(Female) Age: 3 years 2 months

Address

Sibling
