

SEN Assessment Involvement Statement Details Field Interdependencies

Field Interdependencies

Certain fields are dependent upon the state of other fields, e.g. if a checkbox is flagged True or a date field is populated.

Enables

Mandatory field

From **Assessment Panel**:

Completed Date

10. SEN Assessment Involvement - Statement Details

Draft	<input checked="" type="checkbox"/>	If <input checked="" type="checkbox"/>	Draft Date	<input type="text"/>
In Lieu Date	<input type="text"/>		Statement Panel Date	<input type="text"/>
Exception Phase 3a	<input checked="" type="checkbox"/>			
Exception Phase 3a	<input type="text"/>			<input type="text"/>
Completed	<input checked="" type="checkbox"/>	If <input checked="" type="checkbox"/>	Final Date	<input type="text"/>
Exception Phase 3b	<input checked="" type="checkbox"/>			
Exception Phase 3b	<input type="text"/>			<input type="text"/>
Current	<input checked="" type="checkbox"/>	If <input checked="" type="checkbox"/>	End Date	<input type="text"/>
Active	<input checked="" type="checkbox"/>	If <input checked="" type="checkbox"/>	Inactive Date	<input type="text"/>
Inactive Reason	<input type="text"/>			
SEN Stage	<input type="text"/>			

Final Date auto updates Current

Always enabled

When you enter a date and save the record, the system asks, "Do you want to create Next Review?" YES allows you to choose a **Review Involvement** form.
