02 | Citizen Self Service Admin

Overview

The One Citizen Self Service portal is a secure online gateway provided by the Local Authority enabling users to apply for the following services:

- 30 Hour Entitlement
- Courses
- Free School Meals
- Two Year Old Funding
- School Places
- Special Educational Needs and Disabilities
- Transport.

These applications are then transferred into One for loading into the appropriate modules:

Citizen Self Service Portal	One
30 Hour Entitlement	Early Years v4
Courses	Training Manager v4
Free School Meals	Grants and Benefits v4
Funded Early Education for 2 year olds	Early Years v4
School Places	Admissions and Transfers v4
Special Educational Needs and Disabilities	SEND v4
Transport	Transport v4

For local authorities, it enables staff to easily match information supplied via the portal to data already held in the Capita One database. Local authority staff can interactively match records and resolve conflicts with people data, removing the need to import and process data manually.

The Citizen Portal Admin functionality is available to Local Authorities in One v4 Online, subject to a licence and v4 Client permissions. The Citizen Portal Admin enables local authority teams to view filtered lists of the portal applications and the details of each application.

NOTE: Throughout the Citizen Self Service portal, clicking in a field displays a tooltip containing information on the selected field. Tooltips are managed via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Resource Configuration Title**.

More Information:

Deploying and Configuring the One Citizen Self Service Portal for Local Authorities technical guide, available from the [One Publications](#) website.

Using this Handbook

This handbook is intended for One Administrators at the Local Authority. It describes the following administration processes performed by the authority:

- Administration
 - General Administration
 - Portal Configuration
 - Template Management
 - Configurable Question Library
 - Edit Resources
 - Cache
- GDPR Administration
 - Configurable Question Library
 - GDPR Consent Statements
 - Cache
 - GDPR Email Alert Configuration
 - GDPR Consent Withdrawals
 - GDPR Consent Histories
- Local Authority
 - View All Applications
 - User Management.

At the end of this handbook, there is a section explaining how the parent, carer or guardian makes an application. For more information, see [Introduction to Making Applications](#) on page 43.

03 | Managing Users

Citizen Self Service Portal Administrator

In order to be a Citizen Self Service Portal administrator, you must satisfy the following conditions:

- In One v4 Client:
 - be set up as a user.
 - have a valid email address.
 - belong to a group.
 - you need group permissions to be set.
- In One v4 Online:
 - your LA must have a Citizen Portal licence key.

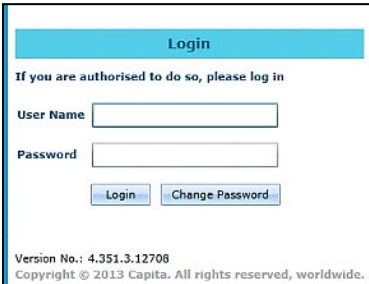

More Information:

Deploying and Configuring the One Citizen Self Service Portal for Local Authorities technical guide, available from the [One Publications](#) website.

Logging in to One v4 Online

To log in to One v4 Online, you need to obtain a licence key for the required v4 Online module from Capita. You must also be set up as a user in One v4 Client.

1. Open the **Login** screen by clicking the link to the One Online web server, set up by your System Administrator.

2. Enter your **User Name**; this is the same as your v4 Client user name.
3. Enter your **Password**; this is the same as your v3 password. Passwords are case sensitive. To change your password, see [Changing a Password](#) on page 8.
4. Click the **Login** button to display the **Welcome to One** page.

Managing Users

The **Welcome to One** page displays the options that are available to you, subject to a licence being held by your Local Authority and your personal or group permissions.

More Information:

RG_Online_Administration_Login_Logout available from the [One Publications](#) website.

Changing a Password

To change your password in v4 Online:

1. Click the **Change Password** button on the **Login** screen to display the **Change Password** dialog.

2. On the **Change Password** dialog, enter your **Old Password**.
3. Enter your **New Password**.
4. Enter your new password again in the **Confirm New Password** field.
5. Click the **OK** button.

More Information:

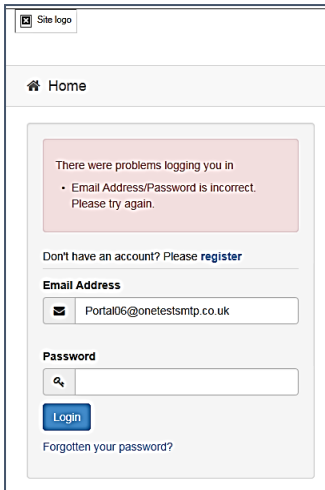

RG_Online_Administration_Login_Logout available from the [One Publications](#) website.

Forgotten Password

If you have entered an incorrect email address or password, an error message is displayed.

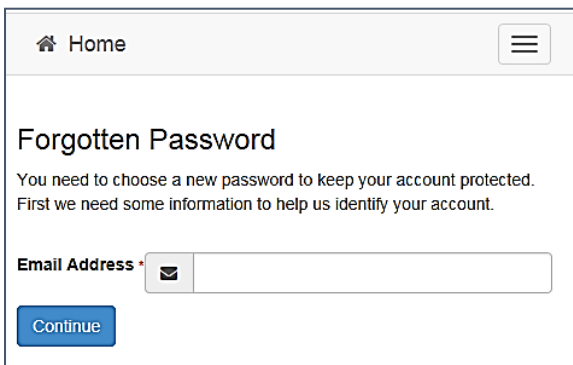

Check that you have entered the correct email address.

If you have forgotten your password, it will need to be reset.

To reset a password:

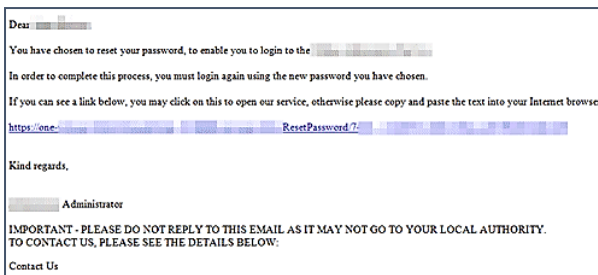

1. Click the **Forgotten your password?** link to display the **Forgotten Password** dialog.

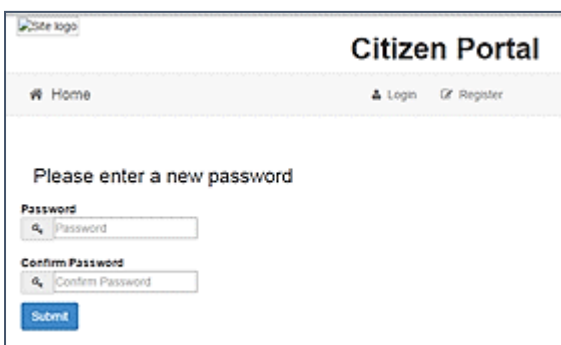

2. Enter your email address, then click the **Continue** button.

A message is displayed to confirm that a password change was requested.

The Local Authority will send an email, similar to the one below, to the registered email address.

3. Click the link in the email to access the Citizen Portal website.

4. Enter your new **Password**. Passwords are case sensitive.

Managing Users

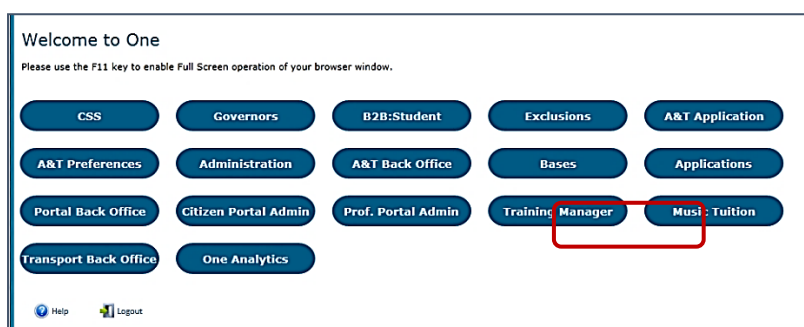

5. Enter your new password again in the **Confirm Password** field.
6. Click the **Submit** button. A message confirms that you have successfully changed your password.
7. Click the **Login** button to log in to the Citizen Portal with your new password.

Logging in to Citizen Portal Admin

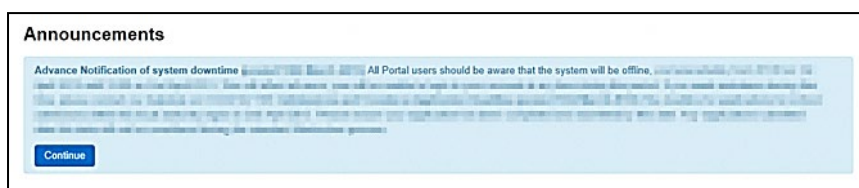

The **Citizen Portal Admin** functionality is available in One v4 Online. To use the Citizen Portal Admin you must have an email address, be set up as a user and belong to a user group in One v4. Your System Administrator will have set up the Citizen One Portal licence key and your permissions via **v4 Client | Tools | Permissions | User Group Permissions**.

To log in to the One Citizen Self Service Portal Admin:

1. Log in to v4 Online. For more information see [Logging in to One v4 Online](#) on page 7.

2. Click the **Citizen Portal Admin** button to display the **Announcements** page.

The **Announcements** page displays only if there are announcements regarding the portal.

3. Click the **Continue** button to display the **Home** page.

The **Announcements** page is edited via **Administration | General Administration | Edit Resources | Resource Configuration Title | Markdown | Text Blocks**.

Announcements	Placeholder_Title
Announcement Start Date	Placeholder_Forename
Announcements End Date	Placeholder_Surname

NOTE: If there are no announcements, clicking the **Citizen Portal Admin** button displays the **Home** page.

More Information:

Deploying and Configuring the One Citizen Self Service Portal for Local Authorities technical guide, available from the [One Publications](#) website.

The Citizen Portal Home Page

The **Citizen Portal Home** page is divided into the following sections:

- **Administration** – for more information, see the [Home | Administration Page](#) section on page 11.
- **GDPR Administration** – for more information, see the [Home | GDPR Administration Page](#) section on page 12.
- **Local Authority** – for more information, see the [Home | Local Authority Page](#) section on page 12.

These can be accessed by clicking on the buttons or selecting an option on the navigation bar.

The Citizen Portal header displays the site logo. This is installed by the System Administrator when installing the Citizen Self Service portal.

The Citizen Portal footer displays the following links:

- **About** – displays information about the local authority. This text is formatted in One v4 Online via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Markdown | Site Notices_About**.
- **Contact Us** – displays contact details such as address, phone numbers and email address. This text is formatted in One v4 Online via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Markdown | Site Notices_Contact**.
- **Terms and Conditions** – displays the terms and conditions for using the Citizen Self Service Portal. This text is formatted in One v4 Online via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Markdown | Site Notices_TAndC**.
- **Privacy Notice** – displays additional information regarding privacy. This text is formatted in One v4 Online via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Markdown | Site Notices_PrivacyNotice**.
- **Cookies Policy** – displays information regarding the cookies that are placed on the user's computer when logging in to the portal. This text is formatted in One v4 Online via **Citizen Portal Admin | Administration | General Administration | Edit Resources | Markdown | Site Notices_CookiesPolicy**.

Home | Administration Page

The **Administration** page is accessed via **v4 Online | Citizen Portal Admin | Home | Administration**.

The **Home Administration** page enables the following administration processes to be performed by the local authority:

- Free School Meals Administration
- Home to School Transport Administration
- School Places Administration
- General Administration.

Home | GDPR Administration Page

The **GDPR Administration** page is accessed via **v4 Online | Citizen Portal Admin | Home | GDPR Administration**.

The **GDPR Administration** tile is only available if permissions have been granted.

The **GDPR Administration** page enables the following administration processes to be carried out:

- Configurable Question Library
- GDPR Consent Statements
- Cache
- GDPR Email Alert Configuration
- GDPR Consent Withdrawals
- GDPR Consent Histories

Home | Local Authority Page

The Local Authority page is accessed v4 Online via **Citizen Portal Admin | Home | Local Authority**.

From here the administrator can manage applications and users.

Clicking the **View All Applications** button displays the **Applications** browse list. For more information, refer to the following handbooks:

- Two Year Old Funding Administration Handbook – the section on *Introduction to Two Year Old Funding Applications*.

Clicking the **User Management** button displays the **User Management** page. For more information, see [User Management \(Local Authority\)](#) on page 12.

User Management (Local Authority)

The User Management page enables the administrator to view user details and to change their email address and password.

Email Address	First Name	Surname	Confirmed	View Details	Action
...	✓	View Details	Change Email Address Reset Password
...	✓	View Details	Change Email Address Reset Password
...	✓	View Details	Change Email Address Reset Password
...	✓	View Details	Change Email Address Reset Password
...	✓	View Details	Change Email Address Reset Password

NOTE: If there are any errors reported when changing an email address or password, the record must be changed in One v3.

Viewing User Details

To view a user's details:

1. Select **v4 Online | Citizen Portal Admin | Home | Local Authority | User Management** to display the **User Management Search** dialog.
2. Enter part of a first name, surname or email address, then click the **Search** button to display the list of local users that have registered for the One Citizen Self Service portal.
3. Click the **View Details** link to display the **View Users Details** dialog. Details are displayed for Claimant, Children and Applications. You cannot make any changes.
4. Click the **Back** button to return to the **User Management** page.

Changing a User's email Address

To change a user's email address:

1. Select **v4 Online | Citizen Portal Admin | Home | Local Authority | User Management** to display the **User Management Search** dialog.
2. Enter part of a first name, surname or email address, then click the **Search** button to display the list of users that have registered for the One Citizen Self Service portal.
3. Click the **Change Email Address** link to display the **Confirm Email Update** dialog. You are asked to confirm that you are resetting the email address for the correct account.
4. Enter the **New Email Address**.
5. Confirm the **New Email Address**.
6. Click the **Continue** button to return to the **User Management** page.

Resetting a User's Password

To reset a user's password:

1. Select **v4 Online | Citizen Portal Admin | Home | Local Authority | User Management** to display the **User Management Search** dialog.
2. Enter part of a first name, surname or email address, then click the **Search** button to display the list of users that have registered for the One Citizen Self Service portal.
3. Click the **Reset Password** button to display the **Confirm Password Reset** dialog. You are asked to confirm that you are resetting the password for the correct account.
4. Click the **Continue** button to return to the **User Management** page.

04 | General Administration

Introduction to General Administration

The General **Administration** page is accessed via **One v4 Online | Citizen Portal Admin | Home | Administration**.

The **General Administration** panel enables you to perform the following tasks:

- **Portal Configuration** – configure the general application settings used by the portal. For more information, see the following sections:

 - [Configuring the Site Settings](#) on page 16.
 - [Configuring Password Settings](#) on page 16.
 - [Configuring ECS Settings](#) on page 17.
 - [Configuring Application Settings](#) on page 18.
 - [Configuring Message Settings](#) on page 20.
 - [Configuring Application Type Settings](#) on page 21.
 - [Configuring Scheduled Task Settings](#) on page 22.
- **Template Management** – create, change or remove templates used within the messages. For more information, see the following sections:
 - [Template Management](#) on page 22.
 - [Creating a Template](#) on page 23.
 - [Viewing Templates](#) on page 24.
 - [Editing a Template](#) on page 25.
 - [Deleting a Template](#) on page 26.
- **Configurable Question Library** – set up and manage a library of questions to be used in the One A&T module.

- **Edit Resources** – edit site texts and contents. For more information, see the following sections:

- [Edit Resources](#) on page 26.
- [Editing Resource Descriptions](#) on page 27.

- **Cache** – see which data is cached and clear the cache. For more information, see the following section:

[Cache](#) on page 31.

Portal Configuration

An Administrator, with the appropriate permissions, can edit the Portal Configuration settings, thus changing the setup and the behaviour of the Citizen Self Service portal.

The **Portal Configuration** functionality is accessed via **One v4 Online | Citizen Portal Admin | Administration | General Administration**. Click the **Portal Configuration** button to display the **Site Settings** page.

More Information:

[Configuring the Site Settings](#) on page 1.

Technical Guide - Deploying and Configuring the One Citizen Self Service Portal for Local Authorities, available on the [One Publications](#) website.

IMPORTANT NOTE: For users of the SEND Portal, **The Portal URL** field must be populated by the LA (e.g. <http://www.capita-one.co.uk>) to enable the citizen to view any portal messages. If this field is not populated, then when a citizen selects the hyperlink from within a message, an error message is displayed.

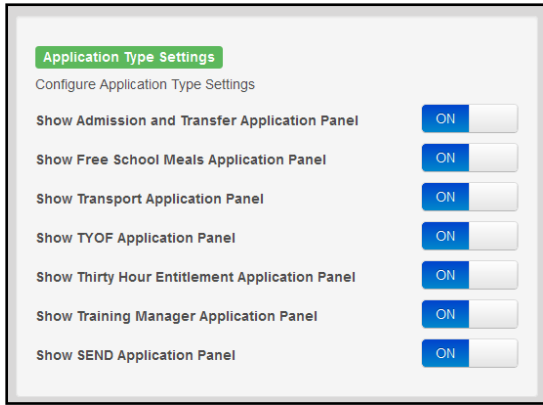

3. Click the **Save** button.

Configuring Application Type Settings

The **Application Type Settings** panel controls the availability of the panels on the parents, guardians, carers and young people's **Home** page.

To configure the application type settings:

1. Select One **v4 Online | Citizen Portal Admin | Administration | General Administration | Portal Configuration | Site Settings**.
2. On the **Application Type Settings** panel toggle the panels **ON** or **OFF** as required. Click in a field to display the relevant tooltip.

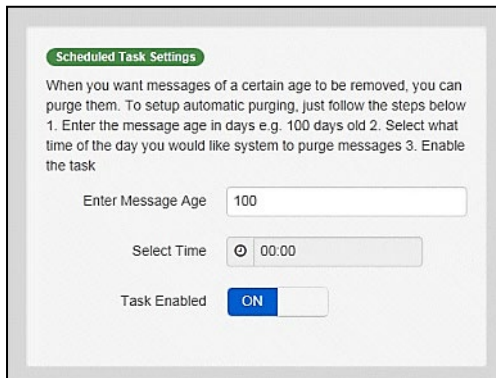

3. Click the **Save** button.

Configuring Scheduled Task Settings

The **Scheduled Task Settings** panel is used to control the task that removes old messages from the One database. Although you can control some options for the Scheduled Task from here, the task must first be set up in the One v4 Client.

To configure the scheduled task settings:

1. Select **One v4 Online | Citizen Portal Admin | Administration | General Administration | Portal Configuration | Site Settings**.
2. On the **Scheduled Task Settings** panel, enter information into the fields displayed in the following graphic. Click in a field to display the relevant tooltip.

3. Click the **Save** button.

NOTE: These settings only affect the Citizen Self Service portal; they do not affect Scheduled Tasks set up in One v4 Client.

Template Management

The **Template Management** functionality is accessed via **One v4 Online | Citizen Portal Admin | Administration | General Administration | Template Management**. Templates are used to send notifications to the parent, guardian or carer to provide information regarding their application, or to inform them that changes have been made to their application.

In **Template Management** you can create, edit or remove templates stored within the portal. Placeholders can be inserted into the subject or the body of the template for the following entities:

- Title
- Forename

- Surname
- Business Phone
- Mobile Phone
- Home Phone.

The placeholders are edited via Administration | General Administration | Edit Resources | Resource Configuration Title | Administration.

Title	Placeholder_Title
Forename	Placeholder_Forename
Surname	Placeholder_Surname
Business Phone	Placeholder_BusPhone
Mobile Phone	Placeholder_Mobile
Home Phone	Placeholder_HomePhone

Creating a Template

To create a new template:

1. Select One **v4 Online | Citizen Portal Admin | Administration | General Administration | Template Management**.
2. Click the **Create Template** button to display the **Create Template** page.
3. Enter the **Template Name**.
4. Enter the **Subject** of the template.
5. If you wish to add a placeholder to the subject, click the **Add To Body** button to change it to **Add To Subject**, then choose one of the **Insert Placeholder** options.

The screenshot shows the 'Create Template' form within the 'Administration' section. It features a 'Template Name' field, a 'Subject' field, and a rich text editor for the 'Message' body. Above the message editor are buttons for 'Add To Subject' and 'Insert Placeholder'. A 'Preview' section is located below the message editor. At the bottom of the form are 'Cancel' and 'Save' buttons.

General Administration

6. Enter your text into the **Message** box. Alternatively click the **Add To Subject** button to change it to **Add To Body**, then choose one of the **Insert Placeholder** options.
7. Use the buttons at the top of the **Message** field to format your message. Your formatted message is displayed in the **Preview** field.

The buttons apply **Markdown** formatting, a text-to-HTML conversion tool for web writers. For more information, click the **How to Format** button.

The screenshot shows the 'Create Template' interface. It has a header 'Administration' with a gear icon. The main title is 'Create Template'. There are three input fields: 'Template Name', 'Subject', and 'Message'. The 'Message' field has a toolbar with icons for undo, redo, bold, italic, link, unlink, list, and image. To the right of the message field is a 'How to Format' dropdown menu. Below the message field is a 'Preview' section showing the rendered message. At the bottom are 'Cancel' and 'Save' buttons.

8. Click the **Save** button to close the page and return to the **View Templates** page.

Viewing Templates

To view an existing template:

1. Select One **v4 Online | Citizen Portal Admin | Administration | General Administration | Template Management** button to display the **View Templates** page; existing templates are displayed.

The screenshot shows the 'View Templates' interface. It has a header 'Administration' with a gear icon. The main title is 'View Templates'. Below the title is the text 'Manage all the templates stored'. There is a list of template statuses: Submitted, AUTH - Pending, Pending, Authorised, AUTH - Authorised, and AUTH - Rejected. At the bottom is a 'Create Template' button.

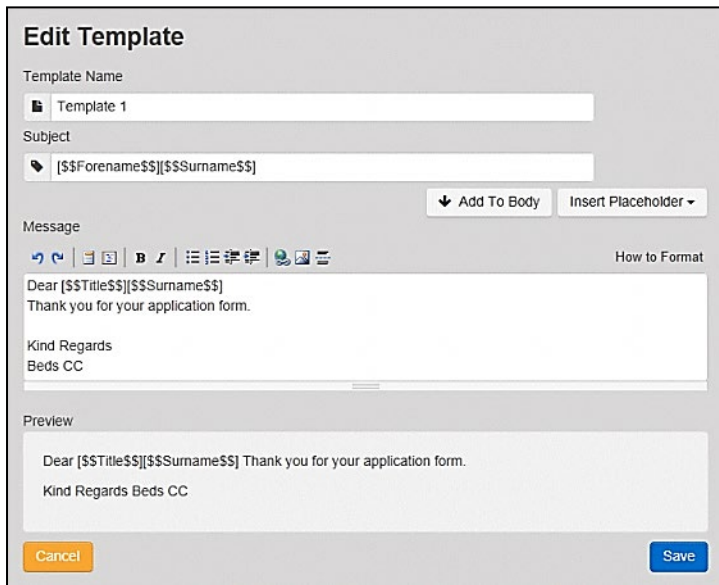

2. Click the template name to display the **Subject** and **Message** that are to be used in the message.

Editing a Template

To edit an existing template:

1. Select One **v4 Online | Citizen Portal Admin | Administration | General Administration | Template Management | View Templates.**
2. Select the required template then click the **Edit** button to display the **Edit Template** dialog.

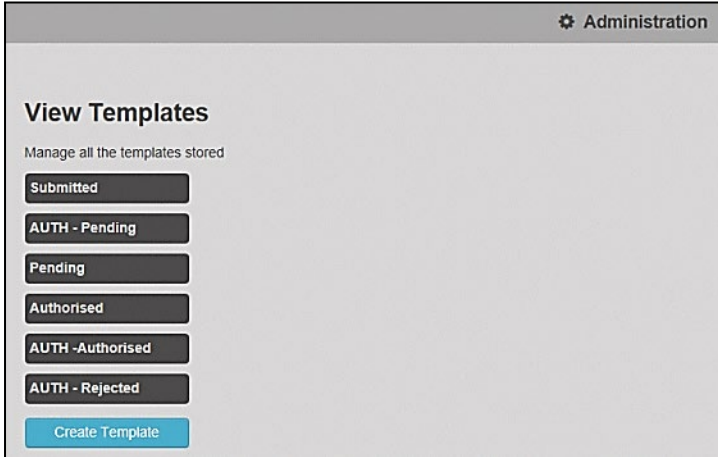

3. Edit the required fields; all of the fields on the **Edit Template** dialog can be edited.
4. Click the **Save** button.

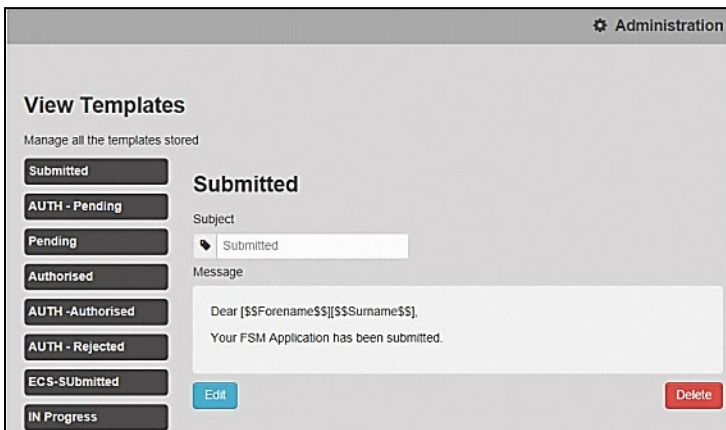

Deleting a Template

To delete an existing template:

1. Select **One v4 Online | Citizen Portal Admin | Administration | General Administration | Template Management** button to display the **View Templates** page.

2. Click the template name to display the **Subject** and **Message** that are to be used in the message.

3. Click the **Delete** button to remove the stored template; you must confirm the deletion.

Edit Resources

The **Edit Resources** functionality is accessed via **One v4 Online | Citizen Portal Admin | Administration | General Administration | Edit Resources**. From here you can edit the contents of the portal. The information in the tooltips is stored in the resource descriptions.

The following **Resource Configuration Descriptions** can be edited:

Text Resources

- Account
- Administration
- Admissions
- Citizen Thirty Hours Entitlement
- Consent Resources
- Free School Meals

- Home
- Home Tiles
- Local Authority
- Messaging
- SEND
- Shared
- Training Manager
- Transport
- Two Year Old Funding.

Markdown

- Text Blocks

To find a particular resource description, open one of the **Resource Configuration Descriptions** then use the **Ctrl + F** keys on your keyboard to display the **Find** dialog. The entered text is highlighted on the page.

NOTE: You may need to search through more than one folder. For example, tooltips can be found in most of the resource configuration descriptions.

Editing Resource Descriptions

The resource descriptions are individual dialogs that enable you to manage the text that is available to users in many areas of the Citizen Self Service portal. If a **Resource Value** is changed via the **Edit Resource Title** dialog, then the next time a user sees that resource, the text will be updated to reflect the change.

To edit the resource descriptions:

1. Select **Administration | General Administration | Edit Resources** to display the **Resource Configuration Title** page.

The default option is English (en). Click the **Welsh (United Kingdom)** button to display the Welsh (cy) descriptions.

2. Select an area from the **Resource Configuration Description** drop-down to display the Descriptions and Values associated with the resource types.

- Click the **Save** button to return to the **Resource Configuration Title** page.

Configuring Automatic Emails

Portal administrators can now configure the text included with automatic emails, sent in response to the following actions in both the One Citizen Portal and the One Professional Portal:

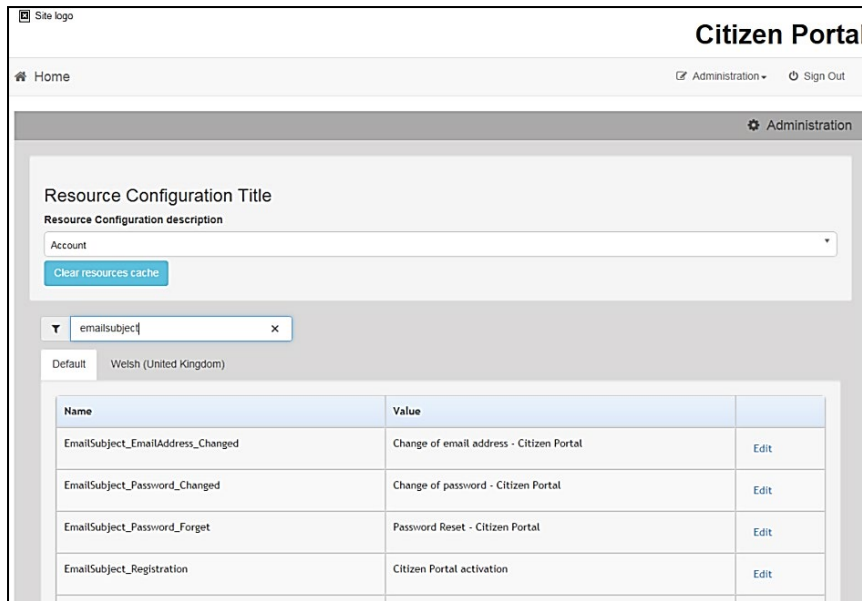

- User indicates that they have forgotten their password
- User changes their password
- User changes their email address
- Administrator resets a user's password (system sends forgotten password email to user).
- Administrator changes a user's email address (system sends a changed email address confirmation to user).

Note: Different text can be configured for the One Citizen Portal and the One Professional Portal versions of these emails.

This text can be configured by the portal administrator via **Citizen Portal Administration | Administration | Edit Resources | Resource Configuration Title | Text Resources | Account**. Default text has been automatically configured for each.

To configure the subject lines for the different email types, type *emailsubject* into the **Search** box to filter the resource list to display the new configurable email subject items.

General Administration

To configure the contents for the different email types, select **Citizen Portal Administration | Administration | Edit Site Texts | Resource Configuration Title | Markdown | Text Blocks**. Default text has been automatically configured for each.

Type *email_* into the **Search** box to filter the list to display the new configurable content items for the different email types.

The configurable text block resource names are:

- Email_EmailAddress_Changed
- Email_Password_Changed
- Email_Password_Forget
- Email_Registration

Cache

The cache is a temporary storage area used to speed up the retrieval of system information. The One system caches information that can take a long time to retrieve or require a large amount of memory. Sometimes issues can occur if the cached data is not updated when new data is entered into One. For example, a new transfer group has been added in One, but is not displaying in the Citizen portal. Clearing the cache forces a data refresh and displays the new data as expected.

The Cache page enables you to see which data is cached; cached data can be cleared from the system.

To clear the cache:

1. Select **Administration | General Administration | Cache** to display the list of cached items.

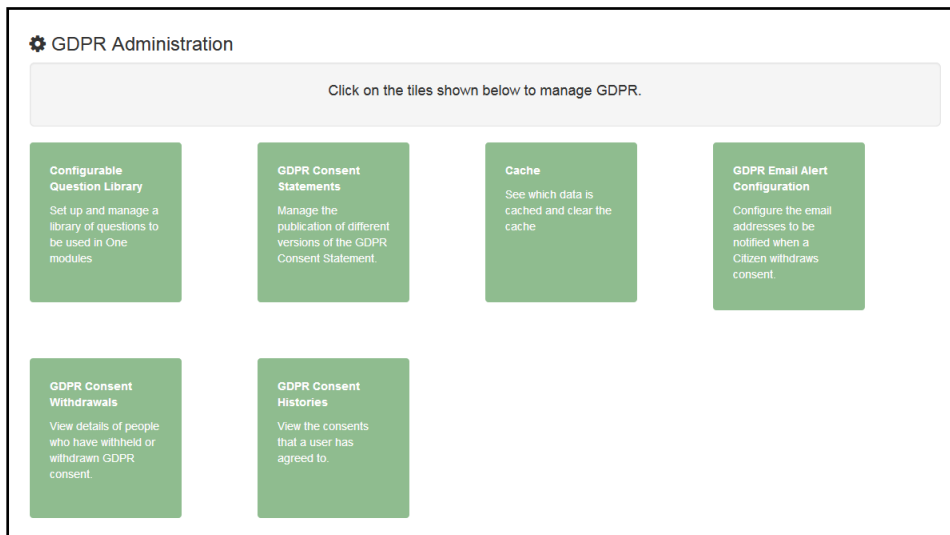

2. Click the **Clear Cache** button to remove the list of cached items. Cached items cannot be deleted individually.
3. Click the **Save** button.

Setting Up Questions

The **Configurable Questions Library** page enables you to set up the questions to be included in consent statements. Consent statements are used to request agreement from a citizen to hold and process their personal data.

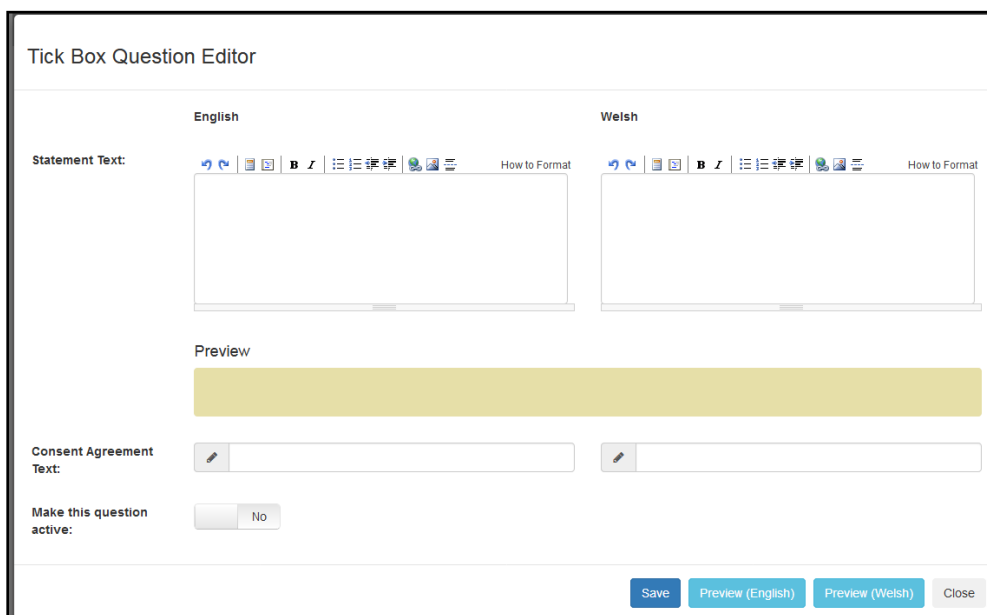

The page is accessed via **GDPR Administration | Configurable Question Library**.

Adding a New Question

You can add a new question and save it in the Configurable Questions Library. The text can be previewed to see how it will be displayed to a user.

1. Select **GDPR Administration | Configurable Question Library** to display the **Configurable Questions Library** page.
2. Ensure that **GDPR Consent Statement** is selected from the drop-down.
3. Click the **Add new tick box question** button to display the **Tick Box Question Editor** window.

4. Enter the **Statement Text** (in either English or Welsh). This text is presented to the Citizen portal user and comprises the Consent Statement.

5. Enter the **Consent Agreement Text** (in either English or Welsh), This is the question text that is presented to the user with a tick box asking them to agree that their personal data is held in accordance with the contents of the Consent Statement.
6. If required, click the **Make this question active** button.
7. If required, click the **Preview (English)** or **Preview (Welsh)** button.
8. Click the **Save** button.

Publishing a Consent Statement

The GDPR Consent Statement Schedule enables you to view the details of published consent statements, schedule a new statement or delete a scheduled statement that has not yet been published.

Adding a New Consent Statement

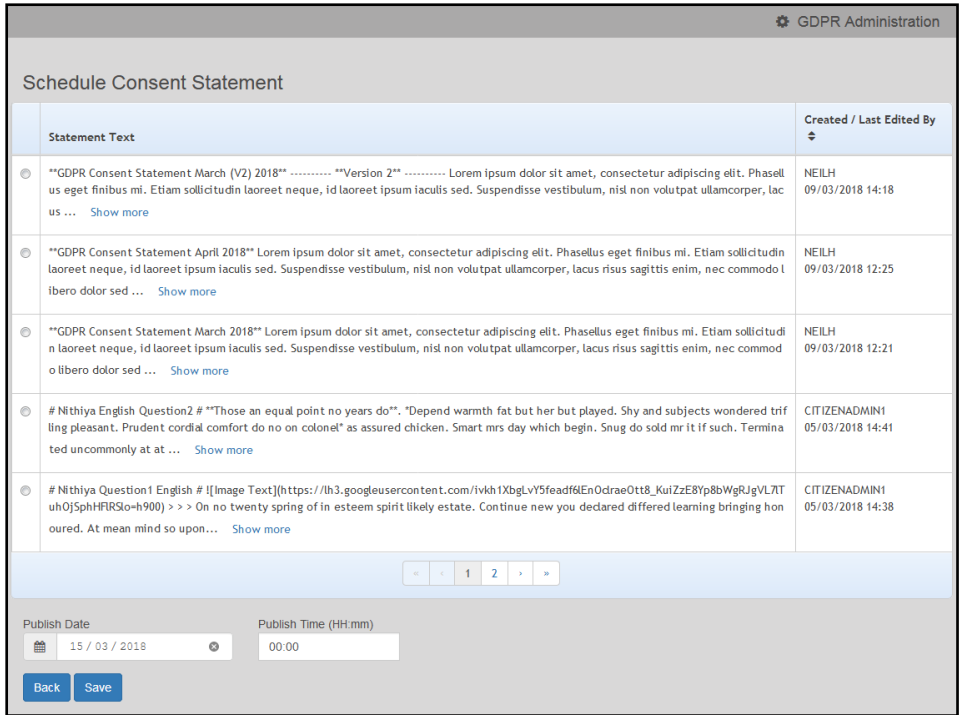

To add a new statement, select a single question from the Configurable Questions Library.

1. Select **GDPR Administration | GDPR Consent Statements** to display the **GDPR Consent Statement Schedule** page.

06 | Two Year Old Funding Administration

Introduction to Two Year Old Funding Administration

Two Year Old Funding administration is managed via the One Provider Portal.

Applications for Two Year Old Funding are made by the applicant via the Citizen Self Service portal, but they are reviewed by the local authority via **Provider Portal | Two Year Old Funding | Manage Applications and Placements | Manage Two Year Old Funding Applications/Placements**. The applications are then imported into the One Early Years module.

Parents, guardians and carers can apply for two year old funding with instant feedback as to their eligibility from the **Eligibility Checking Service (ECS)**. Applications are loaded into the Early Years module for processing and batch checking.

The DfE ECS Endpoint includes qualifiers. A qualifier is an additional piece of information that is available via ECS when a check result comes back as Not Found. These qualifiers are interpreted and displayed to the person carrying out the check. For more information, see [Interpreting the Qualifier Codes](#) on page 39.

Two year old funding applications are made via the Citizen Self Service portal, and imported into One. Students and parents (carers and guardians) are matched via the **Portal Back Office** functionality. The applications are then loaded into One.

Two year old funding applications are imported using the same method as One B2B:Student. Before this import process can begin, a dummy base must be created as a B2B Student Base. This can be done via **One v4 Client | Focus | Bases | Base Definition** or **One v4 Online | Bases**.

After a dummy base has been created a user is mapped to the dummy base. The User_ID is used to identify that a record has been received from the Citizen Self Service portal.

For information on how parents, carers and guardians make their two year old funding applications via the Citizen Self Service portal see [Making Applications For Two Year Old Funding](#) on page 58.

More Information:

One Two Year Old Funding Provider Portal Handbook available on the [One Publications](#) website.

Interpreting the Qualifier Codes

When a check result for Two Year Old Funding comes back with a status of Not Found, a qualifier is also returned.

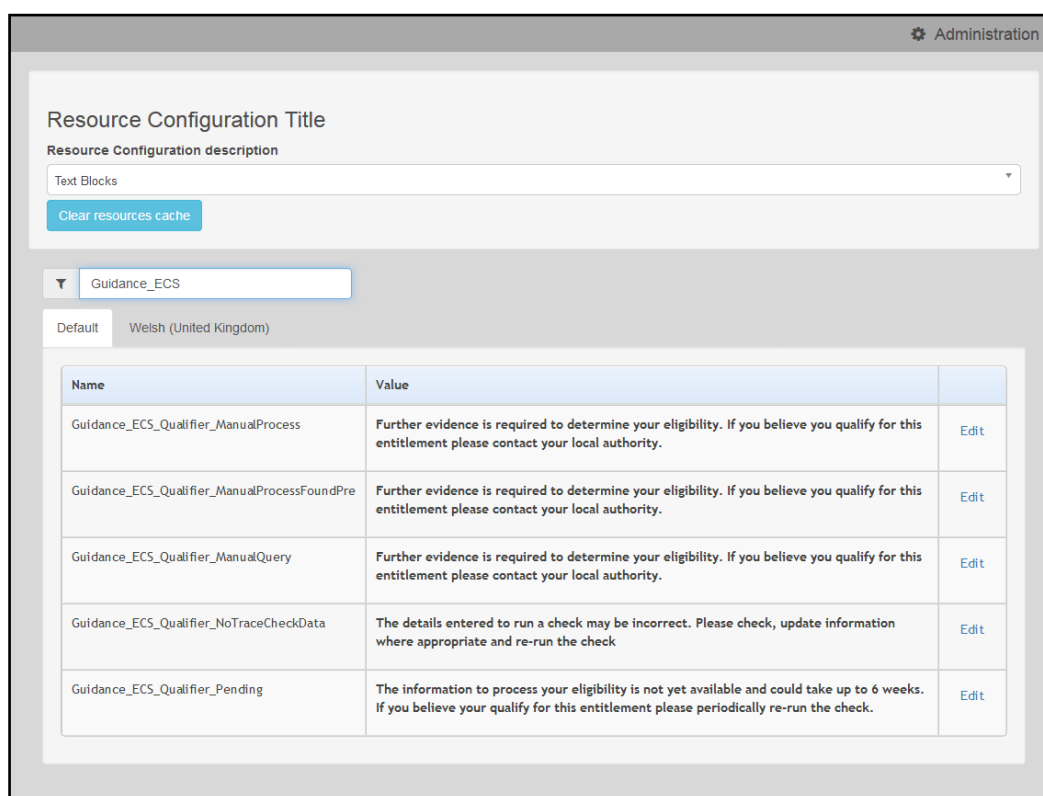

The qualifier is interpreted and presented to the person carrying out the check:

- In the messages displayed whenever an ECS check is performed.
- In templates for system messages generated when an ECS check is performed.
- To administrators as part of the request help process following an unsuccessful ECS check.

The following table shows how the qualifier is interpreted:

Qualifier	Interpretation
Final	The check result stands and no further action is required.
Pending	The information to process the check is not yet available and could take up to 6 weeks. The check should be periodically re-run.
No Trace	Details entered may be incorrect. The parent should re-enter their details.
Manual Process	The parent should provide further evidence and the LA should raise a manual query on the ECS web portal.
Manual Query	
Found Pre-Thresholds	For both of these qualifiers, the child's Date of Birth is checked. If the child is born on or before 31/12/2015, the child is eligible and a Not Found result is converted to Found. Otherwise the result should stay as Not Found.
Found Pre-Thresholds Manual Process	

NOTE: The text displayed is configurable in the Citizen portal via **Administration | General Administration | Edit Resources**. Select **Markdown | Text Blocks** from the **Resource Configuration description** drop-down and enter **Guidance_ECS** in the filter as shown in the following graphic:

Creating a Dummy Base (2YOF)

To import 2YOF applications from the Citizen Self Service portal, a dummy base must be created as a B2B:Student Base and a user must be mapped to the dummy base to identify that a record has been received from the Citizen Self-service portal.

The User_ID is used to update the **Last Updated** field in the relevant area of One, identifying that the record was sourced from the Citizen Self-service portal.

The dummy base should have been set up by the One Administrator for the User_ID set up for processing 2YOF applications.

More Information:

Creating 'Dummy' Bases topic in the *Deploying and Configuring the One Citizen Self Service Portal for Local Authorities* technical guide, available from the [One Publications](#) website.

07 | Making Applications

Introduction to Making Applications

This section explains how the parent, carer or guardian makes an application using the One Citizen Self Service portal for one of the following services:

- Free School Meals
- Transport
- School Places
- Courses
- Funded Early Education for Two Year Olds
- Special Educational Needs and Disabilities.

The functionality is available to parent, carers or guardians, subject to a licence and v4 Client permissions held by the Local Authority.

All of the pages are configurable by the Local Authority. A configurable tooltip is available on all fields to assist the parent in making their application.

Information about the parent, carer or guardian and their family is also accessed from the **Home** page. For more information, see [My Family](#) on page 56.

The parent, carer or guardian will receive messages are from the local authority regarding the status of their application. For more information, see [Messages](#) on page 64.

The header on the **Home** page displays buttons for **My Account** and **Sign Out**. Clicking the **My Account** button displays the following account details:

- **Personal Details**
- **Contact Details**
- **Change Email Address**
- **Change Password**
- **Change of Circumstances**
- **Two Step Verification**
- **Consent History**
- **Withdraw Consent.**

The footer on each page displays the following links, containing information set up by the local authority:

- **About** – displays information about the Local Authority.
- **Contact Us** – displays local authority contact details such as address, phone numbers and email addresses.
- **Terms and Conditions** – displays the terms and conditions for using the Citizen Self Service portal.
- **Privacy Notice** – displays additional information.
- **Cookies Policy** – displays information of how cookies are used on the website.

Creating an Account

Before a parent, carer, guardian or young person can log in to the One Citizen Self Service portal, they must create an account by registering with their local authority.

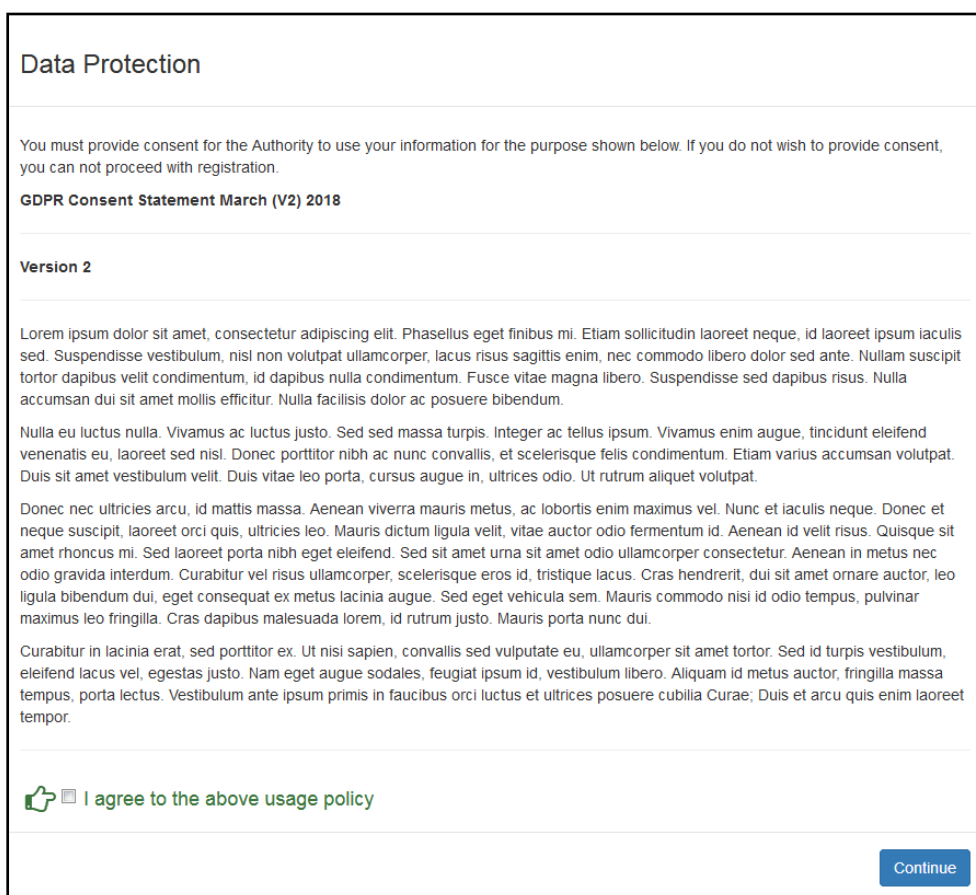

When they register, they will be asked to agree to the GDPR Consent Statement.

To register for a Citizen Self Service portal account the parent must complete the following procedure:

1. Open the URL for the One Citizen Self Service portal, sent by the local authority, in a web browser to display the **Citizen Portal Home** page.

2. Click the **Register** button on the navigation bar or click the **Please register** link on the **Login** panel to display the **Data Protection** window with the current GDPR Consent Statement. There is an option to display the information in English or Welsh.

3. Read the contents of the statement. Select the check box to agree to the GDPR Consent Statement and click the **Continue** button to display the **Registration** page.

4. Enter the ***Required field** security information: **Email Address**, **Confirm Email**, **Password** (click the **Show** button to view the password as you type), **Title**, **Forename**, **Surname**, **Gender**.

- Click the link in the email to confirm your email address and complete the registration. You can now log in to the One Citizen Self Service portal, using the password you created when you registered.

Logging in to the Citizen Portal

To log in to the Citizen Self Service portal, the parent completes the following procedure:

- Open the URL for the One Citizen Self Service portal, sent by the System Administrator, in a web browser to display the **Citizen Portal Home** page.

- Enter the **Email Address** you used to register for the One Citizen Self Service portal.
- Enter your **Password**.
- Click the **Login** button to display the **Announcements** page.

Note: The **Announcements** page displays only if the local authority has set up any announcements regarding the portal.

The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Administration | General Administration | Edit Resources | Resource Configuration Title | Markdown | Text Blocks | Announcements**.

- Click the **Continue** button to display the **Home** page.
- If the LA has updated its **Data Protection Consent Statement**, a **Data Protection** dialog is displayed. For more information, see [Update Data Protection Consent Statement](#) on page 47.
 - On the **Data Protection** dialog, select the checkbox to agree to the confirmation.

- ii. Click the **Continue** button. A confirmation message displays to conform your consent

Important Note: It is now possible to enable a second verification step to increase your security. For more information, see [Two Step Verification](#) on page 47.

GDPR Update

Update Data Protection Consent Statement

When a Local Authority updates its Data Protection Consent Statement, you must confirm that you agree for the information you have provided, and will provide in future, to be used for the purposes described in the Consent Statement.

If you do not wish to give consent to the updated Consent Statement, your account will be disabled and the Authority will invoke its Withdrawal of Consent procedures.

Two Step Verification

Enabling Two Step Verification

Two step verification is an additional process to increase your security when logging onto the portals. This process is mandatory if you wish to use Special Educational Needs and Disabilities (SEND).

The first time you log onto the Citizen Portal you are given the option to enable the two step verification process. If you try to log onto SEND without enabling the two step verification process, the following message is displayed:

This area requires Two Step Verification to be enabled before you can access it.
Please enable this in My Account before continuing.

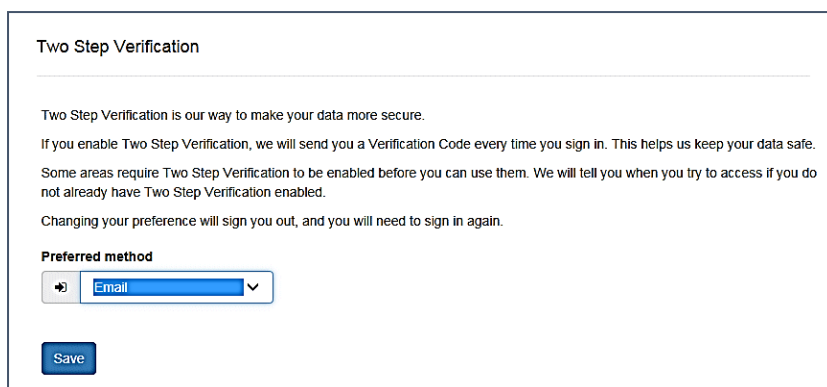

To set up two step verification:

1. Log onto the One Citizen Self Service portal using the email address and password you used to register.
2. Click the **Login** button to display the **Enable Two Step Verification now** dialog. This dialog is only available for a few seconds. If it disappears, the two step verification process can be enabled via **My Account | Two Step Verification**.

3. Click the **Enable now** link to display the **My Account | Two Step Verification** page.

Verify

- Locate the email containing your verification code.
- Copy and paste your verification code into the box.
- Click the **Verify** button.

If you enter an incorrect verification code, the following warning is displayed:

The Verification Code you entered is invalid. Please try again. Codes expire after 5 minutes and are 6 numbers long. If you make 4 incorrect attempts, your account will be locked for 4 minutes before you can sign in again.

Disabling Two Step Verification

The two step verification process is mandatory for users of Special Educational Needs & Disabilities (SEND) and therefore cannot be disabled. If you try to access the SEND module, the following message is displayed:

This area requires Two Step Verification to be enabled before you can access it. Please enable this in My Account before continuing.

To disable two step verification in a different module:

- Log in to the portal for which you want to disable two step verification.

2. Select **My Account | Two Step Verification** to display the **Two Step Verification** page.

Two Step Verification

Two step verification is an additional process to increase your security when logging onto the Citizen Portal.

NOTE: This process is mandatory if you wish to use Special Educational Needs and Disabilities (SEND).

Enabling Two Step Verification

To set up two step verification:

1. Log onto the Citizen Portal using the email address and password you used to register.
2. Select **My Account at the top of the page.**
3. **Select Two Step Verification.**

The screenshot shows a web form titled "Two Step Verification". It contains the following text: "Two Step Verification is our way to make your data more secure. If you enable Two Step Verification, we will send you a Verification Code every time you sign in. This helps us keep your data safe. Some areas require Two Step Verification to be enabled before you can use them. We will tell you when you try to access if you do not already have Two Step Verification enabled. Changing your preference will sign you out, and you will need to sign in again." Below this text is a section labeled "Preferred method" with a dropdown menu currently set to "Email". At the bottom of the form is a blue "Save" button.

4. To receive a verification code to your registered email address, select **Email** from the **Preferred method** drop-down.
5. Click the **Save** button.
You will be signed out and will need to sign in again.
6. Log in; this time when you log in, the following dialog is displayed:

The screenshot shows a dialog box titled "Verification Code sent". It contains the text: "Your Verification Code has been sent. Please enter your Verification Code to continue." Below this is a label "Your Verification Code *" followed by a text input field with a lock icon on the left. At the bottom of the dialog is a blue "Verify" button.

7. Locate the email containing your verification code.
8. Copy and paste your verification code into the box.
9. Click the **Verify** button.

If you enter an incorrect verification code, the following warning is displayed:

The Verification Code you entered is invalid. Please try again. Codes expire after 5 minutes and are 6 numbers long. If you make 4 incorrect attempts, your account will be locked for 4 minutes before you can sign in again.

Disabling Two Step Verification

The two step verification process is mandatory for users of Special Educational Needs & Disabilities (SEND) and therefore cannot be disabled. If you try to access the SEND module, the following message is displayed:

This area requires Two Step Verification to be enabled before you can access it.
Please enable this in My Account before continuing.

To disable two step verification:

1. Select **My Account | Two Step Verification** to display the **Two Step Verification** page.

2. Select **No Two Step Verification** from the **Preferred method** drop-down.
3. Click the **Save** button.

You will be signed out and will need to sign in again.

Consent History

This page displays a history of your agreements for the Local Authority to use your information in compliance with current data protection regulations.

1. Log onto the Citizen Portal using the email address and password you used to register.
2. Select **My Account** at the top of the page.
3. Select **Consent History** to display the **Consent History** page.

Local Authority Consent Statement	You consented on:
[Redacted]	[Redacted]
[Redacted]	[Redacted]

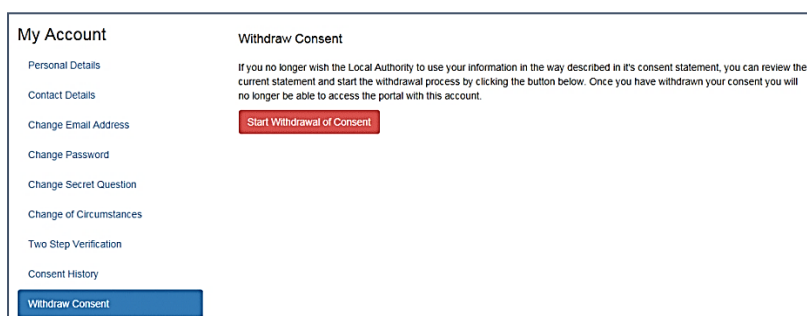

This is a read-only page.

Withdraw Consent

If you no longer wish the LA to use your information in the way described in its consent statement, you can review the current statement and start the withdrawal process. Once you have withdrawn your consent, you will no longer be able to access the portal from the account.

Making Applications

1. Log onto the Citizen Portal using the email address and password you used to register.
2. Select **My Account** at the top of the page.
3. Select **Withdraw Consent** to display the **Withdraw Consent** page.

4. Click the **Start Withdrawal of Consent** button to display the **Data Protection** dialog.
5. The dialog displays the consent statement alongside the following message:

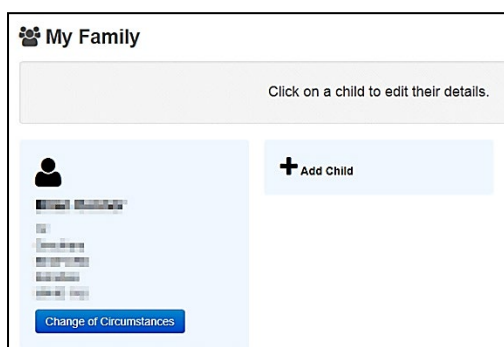

You have previously agreed to the authority's most recent Data Protection Consent Statement.
If you wish to withdraw your consent, click the withdraw button below.
6. Click the **Withdraw my consent** button to display the **Decline** dialog.

This is a final warning that once you have withdrawn your consent for the LA to use your information, you will not be able to access your Citizen Portal account.
7. If you do wish to withdraw your consent, click the **Withdraw my consent** button. The following message is displayed:

You are now being logged out from your Citizen Portal account.
You can no longer use this Citizen Portal account. If you wish to use the Citizen Portal in future to access the authority's services, you will need to register again in the Citizen Portal.
8. Click the **OK** button. The Citizen Portal is closed.

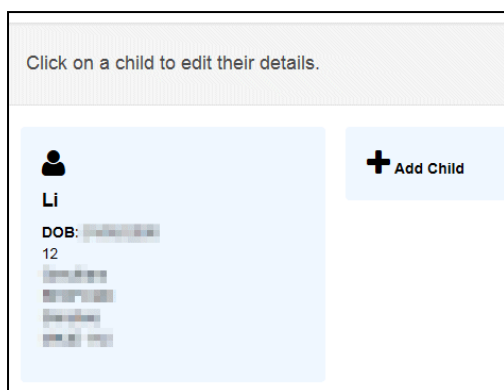

My Family

The **My Family** area of the **Home** page displays the details about the parent, carer or guardian making an application.

Clicking the **Change of Circumstances** button displays a message from the local authority to contact them if any circumstances change, as this may affect their application.

Any existing children are displayed next to the parent, carer or guardian.

Click on a child to view or edit their details

Click the **Add Child** button to add another child to the family's application.

More Information:

For more information, refer to [Adding a Child](#) on page 57.

Adding a Child

To add a child to a parent's account:

1. Select **Citizen Portal | Home | My Family | Add Child** to display the **Add Child** dialog.

The screenshot shows the "Add Child" dialog form. It contains the following fields and options:

- Forename**: Text input field with a person icon.
- Middle Name**: Text input field with a person icon.
- Surname**: Text input field with a person icon.
- Gender**: Dropdown menu with "Please select a gender" and a downward arrow.
- Date of Birth**: Date picker field.
- Current School**: Dropdown menu with "Please Select Current School" and a downward arrow.
- Relationship to Child**: Dropdown menu with "Please select" and a downward arrow.
- Parental Responsibility**: Radio buttons for "Yes" and "No". Below them is the text: "Your relationship to this child (i.e. you are the Father of this child). If you have legal responsibility for this child, select Yes".
- Select Address**: Section with two buttons: "Click to find home/previous/current address" and "Click to add new address".

At the bottom left is a "Cancel" button and at the bottom right is an "Add Child" button.

2. Enter the required information about the child.
 - a. If the child's address is listed, then select the address.
 - b. If the child lives elsewhere, select the **Click to add new address** button to display the **Find Address** dialog.
 - i. Enter the full **Postcode** and click **Search** to display the list of addresses matching your postcode.

NOTE: The maximum number of characters for a child's forename is 15, for a midname it is 25 and for a surname it is 30. If you exceed these levels, a message is displayed asking you to contact your local authority if you need to enter a name that is longer than the field allows.

Making Applications For Two Year Old Funding

The One Citizen Self Service portal provides full support for parents, carers and guardians to make applications for funded early education for two year olds, integrating with the One Early Years (EY) module.

All of the following screens can be edited by the local authority via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources**. For more information, see the *Edit Resources* section in the *General Administration* chapter.

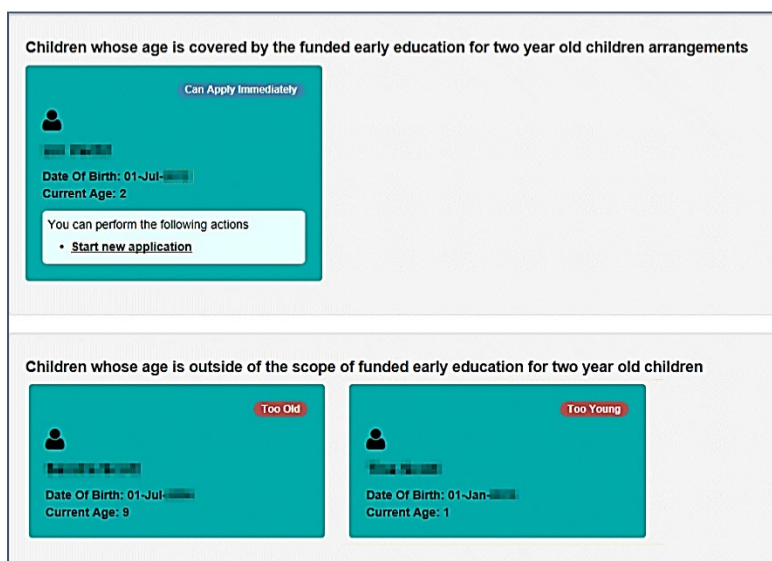

To make an application for two year old funding, the parent completes the following procedure:

NOTE: As the pages are configurable by the local authority, the graphics below are examples only.

Select **Citizen Portal | Home | Funded Early Education for Two Year Olds** to display the **Funded Early Education for Two Year Old Children** page. The page is divided into the following two sections:

- Children whose age is covered by the funded early education for two year old children arrangements.

- Children whose age is outside of the scope of funded early education for two year old children.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Administration | General Administration | Edit Resources | Resource Configuration Title | TYOFunding | Two Year Old Funding | EligibleChildrenTitleText and IneligibleChildrenTitleText.**

If this is a first application, the parent, carer or guardian must add the child.

For an eligible child, click the **Start new application** link to display the **Welcome** page.

The parent, carer or guardian must now select whether they want to apply for two year old funding on economic or non-economic grounds.

Note: The *Start Economic Claim* button is now available for selection after *Parental Responsibility* has been changed from *No* to *Yes* in the Child's record.

For more information, see:

[Making an Economic Application](#) on page 60.

[Making a Non-Economic Application](#) on page 63.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources | Resource Configuration Title | Provider Two Year Old Funding | Display Attribute_TaskCodeEconomicClaimHelp/DisplayAttributeTaskCodeNonEconomicClaim and One v4 Online | Citizen Portal Admin | Administration | General Administration | Edit Resources | Resource Configuration Title | Provider Markdown | Economic ApplicationPanelContent/NonEconomicApplicationPanelContent.**

Making an Economic Application

NOTE: As the pages are configurable by the local authority, the graphics below are examples only.

To apply for two year old funding on economic grounds, the parent follows the following procedure:

1. On the **Welcome** page, click the **Start Economic Application** button to display the **Step 1 Personal Information** page. This information is required by the Department for Work and Pensions (DWP) to check whether the child is eligible for two year old funding.

The screenshot shows a web application interface for 'Funded Early Education for Two Year Old Children'. At the top, there is a navigation bar with four steps: Step 1 (Personal Information), Step 2 (Summary), Step 3 (Give Consent), and Step 4 (Results). The current step is Step 1. Below the navigation bar, the title 'Personal Details' is displayed. A message states: 'Please provide the following information. This is required by DWP to check whether you are eligible for Two Year Old Funding.' The form contains several input fields: 'DateOfBirth' (01-July-2014), 'NationalInsuranceNumber' (e.g. AB123456C) with a 'YX' prefix, 'NationalAsylumSeekersNumber' (e.g. 13 / 07 / 56789), 'Surestart ID', 'AddressLine', 'HomePhone', 'MobilePhone', and 'Gender' (Male). A blue notification box says: 'If your details are not correct, please navigate to the Contact Details section using the My Account link in the navigation bar'. At the bottom, there is a 'Back' button and a 'Continue' button. A summary box at the bottom left shows a profile icon, 'Gender', and 'Date of Birth' (01-Jul-2014).

NOTE: A validation check has been introduced to prevent a Carer from being added that is under 16 e.g. too young to have a National Insurance Number and therefore too young to be assessed for entitlement to 2 year old funding

2. Click the **Continue** button to display the **Step 2 Summary** page.

3. If required, click the **Print this page** button to print the **Application Summary** page.
4. Click the **Continue** button to display the **Step 3 Give Consent** page.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources | Resource Configuration Title | Markdown | Text Blocks | TYOFDeclaration.**

5. Select the check box to confirm that you have read and agree to the declaration.
6. Click the **Confirm** button to display the **Step 4 Results** page.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources | Resource Configuration Title | Markdown | Text Blocks | TYOFEligibilityStatusFurtherInformation.**

- Click the **Finish** button to return to the **Home** page. The application is displayed with the application status and reference number.

You can click the **View most recent application** link to see the **Application Summary** details.

Requesting Help

If the parent, carer or guardian has any questions regarding their application, they can request help from the local authority.

Clicking the **Request Help** button displays information on how the parent can contact the local authority.

They can attach files that they feel would help with their application. They can specify the method they would like to be contacted by. They can also give the local authority permission to complete a Funded Early Education for Two Year Old application on their behalf.

A screenshot of a web form titled 'Request Help' for 'Funded Early Education for Two Year Old Children'. The form contains the following elements: a text input field labeled 'Enter your question'; a file upload section with the text 'Browse to the location of any files you would like to attach' and a green '+ Add file' button; a dropdown menu labeled 'How would you like the LA to contact you?' with 'Portal Message System' selected; a checkbox labeled 'Do you give the LA permission to complete a Funded Early Education for Two Year Old application on your behalf?' which is currently unchecked; and two buttons at the bottom: an orange 'Cancel' button and a blue 'Submit' button.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources | Resource Configuration Title | Two Year Old Funding | RequestHelpHeaderText and RequestHelpMessageText and RequestHelpLAPermission and RequestHelpAttachmentText and RequestHelpLAContact.**

Making a Non-Economic Application

NOTE: As the pages are configurable by the local authority, the graphics below are examples only.

To apply for two year old funding on non-economic grounds, the parent follows the following procedure:

1. On the **Welcome** page, click the **Start Non-economic Application** to display the **Non-economic Criteria Selection** page.

NOTE: The text for the above page is edited via **One v4 Online | Citizen Portal Admin | Home | Administration | General Administration | Edit Resources | Resource Configuration Title | Markdown | Text Blocks | TYOFNonEconomicQuestionsGuidanceText and TYOFDeclaration.**

2. Select the criterion which applies to the application.

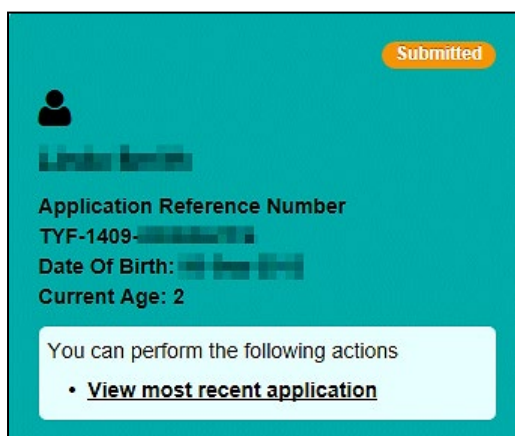

Selecting a check box displays a text box enabling the parent to provide details to support their claim relating to the selected criteria.

Files can be attached as additional evidence.

3. Select the check box to confirm that you have read and agree to the contents of the application.
4. Click the **Submit** button to display the **Application Submitted** page.

NOTE: The text for the above page is edited via [One v4 Online](#) | [Citizen Portal Admin](#) | [Home](#) | [Administration](#) | [General Administration](#) | [Edit Resources](#) | [Resource Configuration Title](#) | [Markdown](#) | [Text Blocks](#) | [TYOFunding_NonEconomic Submitted](#) / [TYOFApplication Reference Heading](#) | [TYOFEligibilityStatusFurtherInformation](#).

- Click the **Finish** button to return to the **Home** page. The Two Year Old Funding application is displayed with the status and reference number.

You can click the **View most recent application** link to see the **Application Summary** details.

Messages

Messages are sent from the local authority, informing the parent, carer or guardian of the status of their application; keeping them informed of all processes relating to their child.

Message details are not sent directly to the Citizen Self Service portal user. A notification is sent to the user's mailbox, informing them that they have a message in their portal account. The user must log in and authenticate with the Citizen Self Service portal, before they can view the message details.

To view their messages, a parent completes the following procedure:

- Select **Citizen Portal | Home | Messages** to display the **Messages** dialog.

- Click the individual message to display the contents.
- If information is required to complete an application, click the link to the form.

Responding to Requests

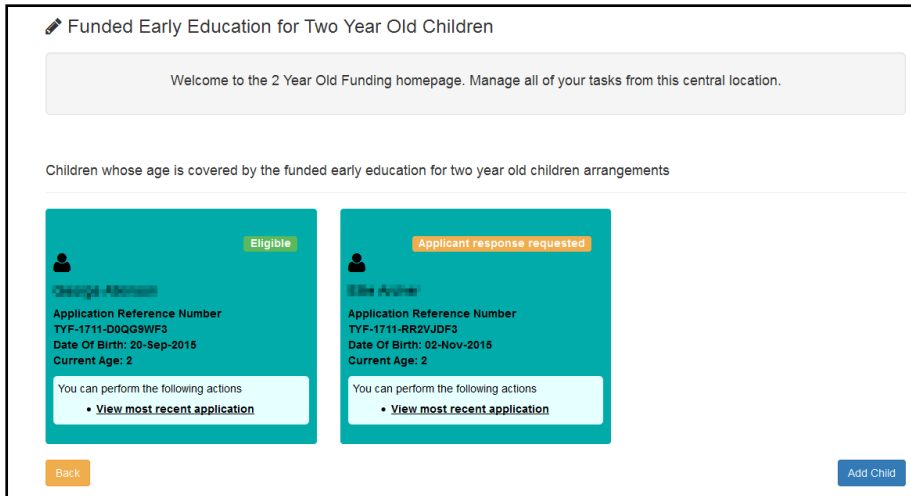

If the Local Authority requests further evidence or information to support an economic or non-economic funding claim, the provider or citizen can respond with the required information. The LA uses the Provider portal to configure whether text or file attachments or both can be sent.

More Information:

One Two Year Old Funding Provider Portal Handbook available on the [One Publications](#) website.

To reply to a request:

1. Select **Citizen Portal | Home | Funded Early Education for Two Year Olds** to display your current applications on the welcome page. If the Local Authority has requested information or evidence, the status **Applicant response requested** is displayed on the application as shown in the following graphic:

2. Click on the **View most recent application** link to view the **Messages** on the **Application Summary** page.
