Introduction

The Early Years Financial Dashboard is designed to provide a detailed level of your data from your database, without the need of using further spreadsheets or reports to modify that information. Therefore, this should serve as a complete dashboard against all your Early Years Financial needs.

The report is split into 3 sections:

- <u>Summary report</u> contains high level information.
- <u>Detailed report</u> displays the different payments and how this is split.
- <u>Payment report</u> displays a breakdown of payments per period and per provider.

Benefits of the report

- Reduce time and maximize productivity
- One version of the truth
- The ability to Self-Serve
- Consolidating reports
- Multi-audience reporting
- Reduce GDPR risk of data
- Can be customised
